Judges

The Court orders that defendant-appellant's motion for peremptory reversal is DENIED, there being no showing that reversible error is so manifest that an immediate reversal of the judgment of conviction should be granted without formal argument or submission. MCR 7.211(C)(4).

The Court orders that the motion to remand is DENIED for failure to persuade the Court of the necessity of a remand at this time.

The Court orders that the motion to strike appellee's brief and appellee's supplemental brief is DENIED. The briefs were properly served on defendant through his appointed appellate counsel. MCR 2.107(B)(1). The supplemental brief was accepted by leave of this Court and, as such, it is not subject to the rules governing supplemental authority filed without leave of this Court under MCR 7.212(F).

The Court orders that the motion to hold this appeal in abeyance is DENIED, there no longer being any pending motions in the trial court or this Court.

The Court orders that the motion for the appointment of substitute counsel to represent defendant-appellant in this appeal is DISMISSED AS MOOT, the trial court having appointed substitute counsel.
